Jim,

The RRT Co-Chair Region 6 Coast Guard has requested ATSDR support for addressing odors associated with the gulf oil spill. They are requesting a petroleum FAQ sheet that they can refer too. In addition, the EPA has inquired on the use of Poison Control Centers in Louisiana to support citizen calls. Spoke with Bob Safay, ATSDR R4 and he reported y'all (ATSDR) are already working on this issue. In addition, Bob Safay has already notified the PCC's in his Region 4 on odor issues and the potential for PCC to receive public calls. Please keep me and George Pettigrew in your group emails. Thanks!!

Understand. Just got a call from Hanzalik asking for ATSDR assistance with public complaints about petroleum odors. Has USCG talked to your about that?
